Dear Mr. Martin:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** Additional information is needed for the following 2 items:

1. Your report contains incorrect Column B figures for Lines 6(a), 6(c), 11(a)(iii), 11(c), 11(e), 16 of the Summary and Detailed Summary Page information. When aggregating and reporting receipts and disbursements, candidate committees are required to disclose their activity on an election-cycle basis, from 11/8/06 to 11/4/08. Please amend your report to show election cycle-to-date figures for all aggregate amounts. (2 U.S.C. § 434(b))
2. Your report discloses the receipt of a contribution(s) from a limited liability corporation. Generally, these types of contributions are attributed to each person based on their percentage of ownership in the firm. However, any other acceptable formula may be used. Each person who has contributed in excess of \$200 since January 1 should be identified, on a memo Schedule A, by name, address, occupation, name of employer, amount of contribution, and aggregate total. (11 CFR § 110.1)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in enforcement action
